

Questions for Reflection/Discussion:

1. What stands out to you from this passage? Did anything stand out in the sermon?
2. Have you found yourself, or others you know, trying to find reasons why God's Word can be changed or ignored on certain moral issues?
3. What have you understood Jesus to mean when He says, "I have not come to abolish the law but to fulfill it"? Did anything change about this perspective as we studied this together Sunday?
4. What can we learn from Jesus' statement that not even the smallest part of the law will be put away until heaven and earth pass away?
5. Why can we have a lot of knowledge about God and the Bible (like Pharisees and Scribes) and still be focused on the wrong things? What can we do to prevent this?
