DISCUSSION QUESTIONS

1. Do you remember when or how you learned “The Golden Rule”?
2. Why do you think most world religions have some version of this rule? How is Christ’s instruction different? (Hint: Think about Matthew 5:17).
3. As we look back over the last 14 weeks, which of the instructions of Jesus has been the most challenging? Which has been the most encouraging?
4. What do you think will be the result in our lives if we choose not to act on what God has taught us in the Sermon on the Mount? What do you need to commit to act on so this doesn’t happen?

Memory Verse: **Matthew 7:12**

So whatever you wish that others would do to you, do also to them, for this is the Law and the Prophets.
