

DISCUSSION & REFLECTION QUESTIONS

1. If Jesus asked you what you are seeking most in life, how would you answer Him?
2. Do you feel you're able to live your life conscious of Jesus' daily (and hourly) presence? Why or why not? And if so, what does that Life look like for you?
3. What difference - in the world, among your friends, and in your heart - does the presence of Jesus in your life make?
4. If you could be as blunt and straightforward with Jesus as possible, what would you say to Him?
5. Jesus said, "Come and you will see". What has He been showing you lately - about Himself or whatever - as you have walked along with Him?"
