How does Jesus pursue these kinds of worshippers?

DISCUSSION & REFLECTION QUESTIONS

1. What stood out to you from the story and sermon? Why?
2. As Christians it's easy to find ourselves in a place where we don't share our faith with others. Do you agree? If so, why do you think this is the case?
3. Were you more like Nicodemus or the Samaritan woman when Jesus saved you? How so?
4. Jesus isn't just seeking to make people who agree about who He is but worshippers of God, who worship Him in spirit and truth. Why is this an important distinction?
5. What practical things that Jesus does here help you most in sharing your faith with others?
