## DISCUSSION QUESTIONS

---

1. At our church we want to “know God for who He is”. What does Psalm 2 tell you about **God**? About **Jesus**?
2. Have you found **refuge** in Jesus Christ? How? How have you been **blessed** as a result? (v12)
3. Psalm 2 speaks of the wrath of Christ. How do you account for that in our current cultural climate as you are “sent with the Gospel”?
4. How might the Psalm motivate us to better “**sacrifice for one another**” at our church?
