DISCUSSION & REFLECTION QUESTIONS

1. Why is it important to remember that the “you” is plural, referring to the whole local church? How does your personal desire for this prayer impact the body?
2. When you pray, do you first go to God with what you want or do you ask for what He wants? Why? How can we help each other grow to want His will above all else?
3. How do you know if you want something in your life? What indications are there? How do you know if you want to grow in the knowledge of His will?
4. What makes you stop chasing something you want? Do you feel unqualified? Do you change your mind? What keeps you going after it? How has God equipped you (plural and singular) to help you grow?
5. Why should you want to grow in the knowledge of His will? What are the implications if you don't want that?
6. Try to memorize Colossians 1:11-12, as a group.
