### How the Nation of Judah teaches us to make terrible plans:

1. Start with \_\_\_\_\_.
2. Listen to only the “ \_\_\_\_\_ ” of what God reveals.
3. Trust human \_\_\_\_\_ above all else.
4. Value \_\_\_\_\_ in your plan over possible \_\_\_\_\_ in His.

**If you find yourself in the midst of a plan outside of God’s plan, know that you can always go back! (30:18)**

## Questions for Discussion/Reflection

1. How would you describe yourself when it comes to planning? Are you a planner in most ways?
2. What keeps people from trusting God with their plans?
3. What helps people trust God with their plans?
4. In our world today, where do you see human reasoning valued more than Godly wisdom.
5. Share a time when it became clear to you that human reasoning was not the answer when compared to Godly Wisdom?
6. How do you know when you are ahead of God with your plans?
7. Paul writes in I Corinthians 2:3-5 that he wanted their “faith not to rest in the wisdom of men but in the power of God.” Pray that God will help your Lifegroup grow in a faith that rests in the power and wisdom of God.
