Questions for Discussion/Reflection

1. What are some of the happiest moments in your life? What made those moments so filled with joy?
2. What are some things you take joy in doing right now? What are some creative ways you can connect joy in those things to joy in your relationship with God?
3. Have you ever tried to intentionally help someone grow in their beliefs, character, and actions in Christ? If so, what was good and challenging about that experience? Whether you have or haven't done this, what is the next step you should take towards making a disciple?
4. Spend some time as a life group sharing the hardships you are currently facing. Share specifically where you are struggling to be faithful to God through this hardship and pray together for a greater joy to lead you to faithfulness to God in your beliefs, words, and actions in this circumstance.
