Questions for Discussion/Reflection

1. Are there, or have there been, any difficulties in your life from which it feels God is never going to deliver you? What advice would you give to other members of your church family about how to be helpful in the midst of this struggle?
2. What else have you been tempted to turn to in order to be saved from this difficulty? Can you see any way that those things have become a burden to you rather than lifting a burden from you?
3. As a group make a list of as many things as you can think of that God has done to show His faithfulness to you.
4. Which of these seems particularly helpful to remember when you are tempted to believe God is not going to save you?
