---

1. How did God preserve the Throne of David in these chapters?
2. How does the priest, Jehoiada, help our understanding of how Jesus serves as our High Priest? Where and how does Jehoiada fall short?
3. How does King Joash come across in these chapters? What can we learn from him as to how and how not to follow Jesus?
4. What other insights do you take from these chapters, and where else in the Bible can you go to help establish these insights?
