DISCUSSION QUESTIONS

1. What stood out to you from this week's sermon? Did anything particularly challenge or encourage you?
2. Josiah had a tough task as a leader. He had to lead his people towards spiritual renewal while knowing it wouldn't ultimately change God's discipline of them. Do you have any areas of life where you know you must do something that is right without expecting a great result? How do you handle this?
3. Do you feel you are in a season where spiritual renewal is needed? Why or why not?
4. Do you find any patterns in your life that lead to spiritual dryness? Spiritual thriving?
5. Of the things Josiah did to lead towards spiritual renewal which do you feel you could use the most of right now and why?
6. How optimistic are you about the possibility of spiritual renewal in your life and others? If Jesus makes a type of spiritual renewal possible that Josiah couldn't, what prevents this in your life?
