Praying For Your Church  
**Philippians 1:3-11 | Trent Thompson**

---

**Giving Thanks for One Another**

**Praying for the Highest Quality of Love in One Another**

**Memory Verse:** Philippians 1:3-5

**Discussion Questions:**

1. Read Philippians 1:3-11. What stands out to you from these verses, or from the sermon?
2. Who do you find yourself thanking God for in prayer? What do you thank Him for about them?
3. Who would thank God for your partnership in the gospel?
4. Take time as a group to share something about each person which represents a good work God has begun in them which will be complete on the day of Christ. Offer thanks to God for this thing before moving to the next person.
5. Can you think of a time when your love lacked knowledge and discernment? What about a time when it was full of them? How do you distinguish between the two?
6. As we look at these New Testaments texts about prayer, which ones have you been most drawn to incorporate in your prayer life and why?

**Next Week's Text:** Colossians 1:3, 9-14
