Galatians: Christ Sets Us Free

The Spirit Gives Us Freedom from Sin | Trent Thompson

Galatians 5:19-21

Sexual Sins

Sins of Misplaced and Disordered Love

Sins of Hate

Sins of Indulgence

DISCUSSION QUESTIONS

1. Read Ephesians 5:19-21. Why do you think Paul begins with the statement, “Now the works of the flesh are evident”?
2. Why do you think Paul offers this list rather than skipping straight to listing the fruit of the Spirit?
3. Does anything jump out at you as you read this list? Did anything from Sunday’s sermon stand out to you?
4. Can you explain God’s design of and purpose for sex in a way that is neither prude nor enflames lust? Is this a comfortable or uncomfortable topic for you? Why?
5. What do you think Christians most misunderstand about sex that keeps them from living out God’s design for it? What do you think non-Christians most misunderstand about it that does the same?
6. In the sermon we discussed indicators a church may be given to each category of sin:
 - Sexual Sin – Joy and energy in worship will be limited.
 - Disorder love – Anemic evangelism.
 - Hate – Little grace and therefore little spiritual maturity.
 - Indulgence – Lack of service and generosity.

Do you see any of these in our church? Why or why not?
