## Applying God's Word

---

1. Begin with prayer tonight. Take time for several members of your group to invite God's sin killing work to be clear and powerful among you.
2. Have you experienced victory in your fight against specific sins? If so, what has helped you be effective in this fight?
3. Did any of the weapons God gives us to fight against sin in this passage seem particularly helpful to you right now?
4. Be honest with one another. How effective is your group at helping one another fight sin?
5. Can you confess your sins to one another? If so, why? If not, why not?

Memory Verse: 1 John 2:1

*My little children, I am writing these things to you so that you may not sin. But if anyone does sin, we have an advocate with the Father, Jesus Christ the righteous.*
