Applying God's Word

1. Read I John 2:3-11 together. Go around the room and, starting with verse 3, have each person state the meaning of each verse until you've done all of them. As a group, how would you state the message of all the verses together?
2. In the last year what is one way you have grown in loving what is good and doing it?
3. Describe your default attitude towards other people in one word. Why did you choose this word?
4. Have you neglected to use any of the tools discussed in the sermon? If so, how can you change that?
5. What good work do you most think God wants you to grow in? After each person shares, pause to have another member of the group pray for them.

Memory Verse: I John 2:8

At the same time, it is a new commandment that I am writing to you, which is true in him and in you, because the darkness is passing away and the true light is already shining.
