I John 2:12-17

Encourage

Exhort

Applying God's Word

1. Read I John 2:12-17. Are you better at encouraging or exhorting? Why?
2. How would you explain why both encouragement and exhortation are necessary for a Christian?
3. Is there one encouragement from this passage that stands out to you? Why?
4. What is the most meaningful encouragement someone has given you? What made it so meaningful?
5. Who has God brought into your life that you need to encourage this week? How will you do it?
6. Where would God exhort you not to love the world right now? Where is that love still in you?
7. Who has God brought into your life that you need to exhort this week? How will you do it?

Memory Verse: I John 2:15

Do not love the world or the things in the world. If anyone loves the world, the love of the Father is not in him.
