Applying God's Word

Read I John 2:28-3:10

1. Think of as many benefits a child receives from their parent as you can. How many of these apply to being a child of God? Are there benefits of being a child of God that don't apply to being the child of earthly parents?
2. Why do you think John keeps coming back to the subject of living a righteous life in this letter?
3. Which of three gifts of being a child of God discussed in the sermon do you find most helpful in fighting against sin in your life?
4. What advice would you give to someone who is a Christian but finds it hard to believe they are a child of God?
5. Who has God brought into your life that you are praying would become a child of God? Take time to pray for these people as a group.

Memory Verse: I John 3:1

See what kind of love the Father has given to us, that we should be called children of God; and so we are. The reason why the world does not know us is that it did not know Him.
