The Spirit Testifies Jesus is God's Son

Applying God's Word

Read I John 5:6-12 again.

1. As you read this passage what jumps out at you? How would you explain the main point of this text in your own words?
2. If you are a Christian, what convinced you Jesus was God's Son?
3. What are the strengths of objective testimony? What are the strengths of subjective testimony? Why do you think God uses both to cause us to believe in Jesus?
4. Which witness tends to grab your heart and mind most: Spirit, Water, or Blood? Why?
5. Why is it important to have our hearts moved by Jesus and not just our minds?

Memory Verse: I John 5:12

Whoever has the Son has life; whoever does not have the Son of God does not have life.
