Applying God's Word

Read I John 5:13-21

1. What are the three things John points to throughout this letter to give believers confidence that they have a real relationship with God?
2. Why do you think John chooses to focus on prayer at the end of this letter?
3. What is one thing you might change about your prayer life in light of the invitation of verses 14 and 15?
4. Have you ever thought about the tension between the biblical assertions that God always accomplishes His will and His command for us to pray? How have you handled this tension?
5. Verses 16-17 tell us our prayers play an important role in helping other Christians overcome sin. What is your reaction to this truth?
6. Are there any sins you are currently struggling with that you need your Life Group members to help you fight against through prayer?
7. Where would you like to grow most in your prayer life in the next year?

Memory Verse: I John 5:13

I write these things to you who believe in the name of the Son of God, that you may know that you have eternal life.
