Applying God's Word

1. What stands out to you as you read this story?
2. Why do you think God did this? What should we learn from it?
3. Does it encourage or discourage you to know that God advances His kingdom in the world through trials and suffering? Why?
4. What would you say to a fellow believer who thought the triumph of the resurrection of Jesus means Christians are always triumphant in the world now? What would you say to a fellow believer who overly glorified suffering as the means by which God advances His kingdom?
5. Describe a time when God gave you a fuller picture of Jesus. What was His purpose in doing so?
6. What are some things happening in the world that concern you? How does it change your approach to those issues to know that God has ushered in the Messianic Age through Christ, and we live in that age?

Memory Verse: Mark 9:7

And a cloud overshadowed them, and a voice came out of the cloud, "This is my beloved Son; listen to him."
