Applying God's Word

1. Read Mark 9:14-29. Is there anything that stands out to you from either the text or the sermon?
2. How might you describe what is meant by, "I believe. Help my unbelief"?
3. What makes it hard to believe? Are there certain obstacles or cultural norms that get in the way?
4. Has there ever been a time when you cried out to God to increase your faith and He answered? Share with the group.
5. How could we encourage each other in our faith journeys?
