Applying God's Word

1. What did you take away from the sermon this week?
2. Is the idea of seeing the whole Bible as one story new to you or not? What impact does it have to see it this way?
3. How would you define the term "God's Kingdom"?
4. Why do you think God uses this theme as a tool to tell the story of what He is doing in the world?
5. Is there one part of the Old Testament where you think the theme of God's kingdom is most prevalent? Why?
6. In the sermon we drew out three applications related to Power, People, and Place:
 - God wants to rule over us.
 - God doesn't just want wrote obedience; He wants our hearts.
 - God wants to establish His kingdom in the world not just our hearts.Which do you relate to most and why?

Memory Verse: Psalm 145:13

Your kingdom is an everlasting kingdom, and your dominion endures throughout all generations. The Lord is faithful in all His words and kind in all His works.
