The Power of the Kingdom

Applying God's Word

1. We looked at numerous scripture verses this week. Have every person in your group share one and tell what they learned from it about God's kingdom.
2. As we've gone through this series have there been any new lessons learned about God's kingdom for you, or lessons about which you needed to be reminded?
3. How does your vocation (student, work, parent, retirement, etc.) provide an opportunity to extend God's kingdom? How effectively do you feel you're doing this?
4. How has God's kingdom rule grown in your own heart most in this last year?

Memory Verse: Matthew 6:33

But seek first the kingdom of God and his righteousness, and all these things will be added to you.
