Applying God's Word

1. When you are most desperate, what happens to you, how do you respond, and why? How has God met you and how has God's Word, the Bible, helped in those moments & times?
2. Do you care about your reputation -with whom, how and why?
3. How would you describe your fellowship with God the Father and His Son, Jesus Christ?
4. How do you define "Safety"? How do you guard your own safety? How do you think God defines Safety and wants to guard your safety? What does or would it take for you to let God look out for you?
