Applying God's Word

1. What is your favorite part of a wedding and why?
2. Whether you are a man or a woman, all of us who believe are called Christ's bride. What does it mean to you to be His bride?
3. Our union with Christ is forever. How does that eternal dimension influence your life now?
4. In our battle to win people's hearts to Christ, what ways do truth, meekness, and righteousness bring down strongholds?
5. Can you share a time when you refused a "gift from Tyre" in order to stay true to Jesus your groom?
6. Read Eph. 3:20-4:1 and reflect on how we as Jesus' bride should live now.
7. Spend some time in adoration together declaring in your own words all the ways Jesus your groom is "the most handsome of the sons of men."
