**Psalm 133** | Trent Thompson

---

**What does it mean to be unified?**

**Why is unity good and pleasant?**

## APPLYING GOD'S WORD

---

### **Memory Verse:**

Behold, how good and pleasant it is when brothers dwell in unity!  
Psalm 133:1

### **Applying God's Word:**

1. When have you experienced unity with other believers that brought you goodness and pleasure? What created that unity and what was the result?
2. When have you experienced a lack of unity? What created that and what was the result?
3. Why do you think we are often satisfied with shallow relationships with other Christians?
4. Read Psalm 133. What stands out to you and why?
5. What are the good results of unity in this Psalm? What are others you've experienced?
6. What would have to change about your life to have meaningful relationships within the body where unity is fought for and expressed? If you already have this, what do you want to make sure continues in these relationships or is renewed again in them?
