Psalms

Human Frailty and the Love of God

Psalm 103 | Russ Allen

Main Point: God's love is overwhelmingly greater than our human frailty

Background

Physical Frailty and God's Justice

Moral Frailty & God's Mercy

Applying God's Word

1. What stood out to you from the sermon and the Scriptures?
2. Are you passionately "blessing the Lord" right now, or just going through the motions? How can remembering this psalm help us when we don't feel as passionate?
3. Are you going through a time right now – or have you experienced in the past a time – when you were especially aware of physical frailty? Has God ever helped renew your strength (v. 5)?
4. Are you willing to confess some of your moral frailty right now? What are some sins you have been struggling with recently?
5. How does Jesus fulfill God's overwhelming, steadfast, pursuing love ("hesed")?
