Psalm 19 | Trent Thompson

World (1-6)

Word (7-9)

Applying God's Word

1. Read Psalm 19 together and take some time to discuss parts that stand out to you. What are they and why?
2. Put the main idea of Psalm 19 in your own words.
3. Have you heard the terms General Revelation and Special Revelation before? How would you define each and what are their purposes?
4. What does God reveal about Himself in the world that compels you to want to know Him?
5. What does God reveal about Himself in the Word that compels you to want to know Him?
6. One of God's attributes is Independence. This means God does not need us or the rest of creation for anything, but we (and the rest of creation) can glorify Him and bring Him joy. How does knowing this attribute of God make His choice to make Himself known to us even more meaningful?
7. Why do you think David concludes this Psalm with a request for the words of his mouth and meditation of his heart to be pleasing to God? In what aspects of your life do you want to be more pleasing to God?

Memory Verse: Psalm 19:1

The heavens declare the glory of God, and the sky above proclaims his handiwork.
