## Applying God's Word

---

1. Read Psalm 1 together. Which couplet stands out to you most? Why?
2. In your vocational calling, what is an example of walking in the counsel of the wicked, standing in the way of sinners, and sitting in the seat of scoffers? How do you navigate this in your work?
3. How does the idea that God is most glorified in us when we are most satisfied/happy in Him strike you?
4. How have you seen God produce fruit in/through you in season?
5. If you could leave only one lasting legacy what would you want it to be?
6. What emotions and thoughts do you experience when you think about standing before God at the end of your life?
7. Are there any ways you are currently walking on the path of the wicked rather than the righteous? What do you need to do to change this?

### **Memory Verse:** Psalm 1:1-2

*Blessed is the man who walks not in the counsel of the wicked, nor stands in the way of sinners, nor sits in the seat of scoffers; but his delight is in the law of the Lord, and on his law he meditates day and night.*
