**How does the gospel do its saving work?**

By revealing the righteousness of God.

From faith for faith & the righteous shall live by faith.

## Applying God's Word

---

1. Read Romans 1:15-17 together. Go from the first clause to the last, one at a time. Have a different member of the group explain the connection between each successive clause.
2. Having done that, what is the overarching message of these verses?
3. If you find doctrine difficult to enjoy, why do you think that is?
4. If you find doctrine enjoyable, why is it difficult to make sure your enjoyment is in God, not just ideas about God?
5. How would you answer the question, "From what does the gospel save us?" How did we answer that question in the sermon, and why do you agree or disagree?
6. What are some of the rights and privileges we receive when we receive a righteous status before God through the gospel?
7. If someone said to you, "God shouldn't require faith to save people" how would you respond?

Memory Verse: Romans 1:17

*For in it the righteousness of God is revealed from faith for faith as it is written, "The righteous shall live by faith."*
