Verses 14 & 15

Verse 16

Applying God's Word

1. Why do you think Paul spends most of the first three chapters of Romans writing about sin and the judgment that results from it?
2. Read Romans 2:12-16. What takeaways do you have from this passage?
3. Why do you think Paul says Gentiles will perish without the law and Jews will be judged by the law?
4. Paul uses the good works of Gentile unbelievers to convince Jewish unbelievers they need Jesus. Why does he think this will work?
5. What is one way Jesus succeeded against temptation where you regularly fail? Why is this good news?
6. What song focused on God's holiness will you listen to/sing every day this week?
7. What good works do you see in an unbelieving friend that point to God's design of them? How might they begin to see this as evidence of their need for God rather than evidence they are good on their own?

Memory Verse: Romans 2:13

For it is not the hearers of the law who are righteous before God, but the doers of the law who will be justified.
