Applying God's Word

1. What stood out to you in the sermon this week?
2. Read Romans 2:17-24. What is Paul's main purpose in these verses?
3. When you are trying to convince a religious person that they need Jesus, what are some important things to focus on?
4. We no longer live in a time where the average person agrees with Christian moral principles or feels a need for God to live a purposeful life. In this environment how can we be most effective at sharing the gospel with people?
5. Where do you see the signs of spiritual dullness in yourself?

Memory Verse: Romans 2:21-22

You then who teach others, do you not teach yourself? While you preach against stealing, do you steal? You who say that one must not commit adultery, do you commit adultery? You who abhor idols, do you rob temples?
