## Applying God's Word

---

1. Where did you see God's love most clearly in your life this week?
2. Read Romans 4:1-8. What is one question this passage makes you ask?
3. Paul is eager to keep his fellow Christians from going back to works to try to justify themselves with God. Why is this such a common temptation for all of us?
4. What is the "work" you are most likely to believe gives you merit with God?
5. How can you tell when you are living like your works justify you rather than grace and faith? Do you see any patterns?
6. Which of the weapons Paul gives us in this passage is most helpful to you in your fight against self-righteousness?

**Memory Verse:** Romans 4:3

*For what does the Scripture say? "Abraham believed God, and it was counted to him as righteousness."*
