Applying God's Word

1. Read Romans 6:11-14. What stood out to you this week as we studied God's Word together?
2. How would you describe what it means to be "under grace"? (See verse 14).
3. What is a temptation to sin against which you need to regularly apply verse 11's command to "consider yourselves dead to sin and alive to God"? What does it look like to apply it to this area of sin specifically?
4. What is a boundary you have put around your body (or need to) to fight against sin?
5. What is a specific question you will ask God every day this week about how you can be useful to Him?

Memory Verse: Romans 6:13

Do not present your members to sin as instruments for unrighteousness, but present yourselves to God as those who have been brought from death to life, and your members to God as instruments for righteousness.
