Applying God's Word

1. When have you focused on something you wanted in the long-term and changed decisions in the present as a result?
2. How much of a plan for fighting sin do you have in place? Why do we resist having a plan?
3. Why is increasingly winning against sin not just good for us but for our neighbors?
4. How do you increasingly win against sin and not become self-congratulatory or proud?
5. How have you seen sin lead to more sin?
6. Why is it helpful to understand sanctification as Christ-likeness and not just generally becoming a better person?

Memory Verse: Romans 6:23

²³ For the wages of sin is death, but the free gift of God is eternal life in Christ Jesus our Lord.
