Applying God's Word

1. Who did God give you an opportunity to learn something new about this week? What did the thing you learned show you about God's current work in their life?
2. Read Romans 7:13-25. At first glance does this passage seem to describe our lives before or after becoming a Christian? Why?
3. If someone asked you, "Why do we do things we don't truly want to do?" how would you answer them? What would you point to in this passage in your answer?
4. What is an action you repeat regularly about which you would say, "I don't understand why I do the thing I hate?"
5. What patterns in life make sin less likely? What patterns make it more likely?

Memory Verse: Romans 7:15

¹⁵ For I do not understand my own actions. For I do not do what I want, but I do the very thing I hate.
