ROMANS: The Gospel For All People
Life Without Condemnation | Trent Thompson
Romans 8:1

The most important thing in life:

Who is not condemned?

When are we not condemned?

What does a life with no condemnation look like?

Applying God's Word

1. What did God do this week that revealed His love for you?
2. If someone who had never read the Bible before asked you to explain Romans 8:1 in your own words, what would you say?
3. How does seeing this verse as the conclusion of everything Paul has said up to this point inform your understanding of it?
4. In your life as a Christian, when have you found it hard to believe God accepts you rather than rejects you? Why do you think this was the case and how did it impact the rest of your life?
5. Read all of Romans 8. Which assurance do you treasure most and why?
6. What opportunity did God give you this week to help someone who doesn't know they can be accepted by God, see Him more clearly?
