## Applying God's Word

---

Read Romans 8:28.

1. Which words are the most important in this verse? What tells you they are?
2. If marveling at a spiritual truth is key to living by it, what have you found helps you marvel at God's truths?
3. What key idea grabs your attention most in this verse or from the sermon?
4. Did you ever have a hard time believing God was working for your good? What made it hard to believe? If you eventually did, how did you get there?
5. In what current situation can your LifeGroup join you in prayer, so that you might believe God is working for your good?

## Sharing The Gospel

---

*Sharing the gospel with others is crucial to maturing in our faith, and building relationships with our neighbors is an important practice to do so. Let's ask one question each week that will help us do this.*

It can be hard to make time to build relationships, especially with those who don't share our faith. What would have to change to make you enjoy it so much you'd want to make time for it?

**Memory Verse:** Romans 8:28 ESV

*And we know that for those who love God all things work together for good, for those who are called according to his purpose.*
