1. What stood out to you from the sermon and the Scriptures?
2. Why is it important that we understand the depths of our sinfulness?
How would you discuss this with a non-Christian friend?
3. Why is justification (being made right with God) through faith in Christ good news? Why is it better than justification through works (doing good things)?
4. Do you tend to try to live righteously on your own (being burdened by keeping the law) or try to live freely on your own (by living in sin and justifying your sin)? Why do people with both tendencies need the Gospel?
5. What questions do you still have about Romans 1-8? Skim through Romans 9-16. Is there anything in the rest of Romans that you are especially interested in studying?
