APPLYING GOD'S WORD (For LifeGroups)

LifeGroups are a place to commit to Christ-Centered relationships and grow in our faith together. Learn more at westshorefree.org/lifegroups.

1. What event or insight caused you to move from the place of exploring faith to becoming a follower of Jesus?
2. What questions would you ask someone to find out if they are open to exploring faith?
3. What makes you most anxious about beginning a spiritual conversation with someone?
4. If someone was willing to explore faith with you, where would you start? What would you invite them into?
5. What would change for you if you fully trusted that the Holy Spirit would be active in you and through you every time you shared about Jesus?
6. If you had 2 minutes to share an explanation of the gospel with someone, what would you say? Work together as a group to come up with your main points.

Example

G - God loves us so much and created us to be in a perfect relationship with Him.
O - Our sins and selfishness have separated us from Him. Our desire for control caused us to fall into spiritual death.

S - Sin cannot be removed through good works, the payment of money, or self-improvement.

P - Paid in full by Jesus over 2000 years ago when he died on the cross for you, taking your sins upon himself so that you can experience forgiveness.

E - Eternal life is for anyone you believes that Jesus died for sinners and was raised from the grave as Savior and Lord.

L - Life starts anew when you are born again. If you repent today and ask Jesus to come into your life, you will be born again and given new life in the Holy Spirit.
